Our high school is really cool! Welcome!!

TERRITORY AND ORIGINS

Spain is divided into 17 regions and 2 autonomous cities. The name of our region is Castilla y León and the name of our province is León.

León is divided into some counties and Bembibre belongs to El Bierzo.

Bembibre has probably a Roman origin. There was a Roman city called Interamnium Flavium in the same place.

The town is located 97 km from León.

Monuments: the church of Saint Peter, the church of Ecce-Homo, the centre of cultures.

There are also some museums and a theatre.

Population: 8455

ECONOMY & TRADITIONS

Economy: service sector, industrial area and coal mining.

We have many festivals and traditions: Botillo, the Christ Festival in September and the medieval market.
